

26th Biennial Meeting of the International Society for Developmental Neuroscience

Brain development and disorders: Mechanisms and Interventions

February 1 - 5, 2027 - JNCASR, Bengaluru, India

PROGRAM OVERVIEW

MONDAY, 1 FEBRUARY 2027		
08:45 – 13:00	Registration	
09:30 – 12:30	Workshop 1 (including boxed lunch)	Workshop 2 (including boxed lunch)
13:00 – 13:15	Welcome Ceremony	
13:15 – 15:45	Symposium 1: Post-transcriptional regulation of brain development	
15:45 – 16:15	Refreshments	
16:15 – 17:00	Plenary Lecture 1 - Shubha Tole	
17:00 – 19:30	Symposium 2: Neuronal morphogenesis and connectivity	
19:30	Dinner	
TUESDAY, 2 FEBRUARY 2027		
09:00 – 09:45	Plenary Lecture 2 - Rosa Cossart	
09:45 – 10:00	Refreshments	
10:00 – 12:30	Symposium 3: Mechanisms and translational avenues of early-onset neurodevelopmental disorders	
12:30 – 13:30	Lunch	
13:30 – 15:30	Poster Session 1	
15:30 – 16:00	Refreshments	
16:00 – 18:30	Symposium 4: Development and functions of the blood-brain and blood-cerebrospinal fluid barriers	
19:00	Dinner	

WEDNESDAY, 3 FEBRUARY 2027

09:00 – 09:45	Plenary Lecture 3 - Keith Murai
09:45 – 10:00	Refreshments
10:00 – 12:30	Symposium 5: Perturbed neurodevelopmental mechanisms in brain cancers
12:30 – 13:30	Lunch
13:30 – 15:30	Poster Session 2
15:30 – 16:00	Refreshments
16:00 – 18:00	Networking/Free Time
18:00 – 19:30	Cultural Program
19:30	Dinner

THURSDAY, 4 FEBRUARY 2027

09:00 – 09:45	Plenary Lecture 4 - Guillermo Lanuza
09:45 – 10:00	Refreshments
10:00 – 12:30	Symposium 6: Development and evolution of motor systems
12:30 – 13:30	Lunch
13:30 – 16:00	Symposium 7: Molecular drivers of stability versus plasticity of neural cell fate and their implication for brain repair
16:00 – 17:00	ISDN Community Meeting
17:00	Gala Dinner (including transport and welcome reception)

FRIDAY, 5 FEBRUARY 2027

09:00 – 09:45	Plenary Lecture 5 - Tomomi Shimogori
09:45 – 10:00	Refreshments
10:00 – 12:30	Symposium 8: From molecules to circuits: new tools for neurodevelopment across species
12:30 – 13:30	Lunch
13:30 – 16:00	Symposium 9: Environmental regulation of the developing social brain
16:00 – 16:30	Closing Ceremony
